

Communities In Schools

San Antonio

Case Manager – Dilley Texas

The Case Managers will coordinate the provision of social services within Mary Harper middle school located in Dilley Texas. The target population will be students and their families facing obstacles to academic and personal success.

Communities In Schools of San Antonio (CIS-SA) keeps kids in school, unlocking their potential to succeed. Our mission is to surround students with a community of support, empowering them to stay in school and achieve in life. We believe that every child needs and deserves the Basic Life Tools to be successful: a personal, one-on-one relationship with a caring adult; a safe place to learn and grow; a marketable skill to use upon graduation; a healthy start and a healthy future; and a chance to give back to peers and community. These “basics” are the heart of our programs.

Our case managers work directly on school campuses providing professional, accessible services to at-risk students and their families. As a community facilitator, CIS-SA brings a wide range of resources into schools to provide additional support and connections to needed services and goods. By collaboration and partnerships with community and government agencies we avoid duplication of services and operate most efficiently and cost-effectively.
